Audit Finding
and
Corrective Plan
2018 – 001

Federal agency: U.S. Department of Housing and Urban Development
Federal program title: Capital Fund Program
CFDA Number: 14.872
Award Period: 7/1/17 to 6/30/18
Type of Finding: Significant Deficiency in Internal Control over Compliance

Criteria or specific requirement: Per Section 13 of Part A of ACC (Form HUD-53012A), PHAs are required to use insurance proceeds to promptly restore, reconstruct, and/or repair any damaged or destroyed property of a project, except when written approval of HUD instructs a PHA to do otherwise.

Condition: During out testing of internal controls over the special test – Insurance proceeds compliance requirement, we noted instances of noncompliance.

Questioned costs: None noted

Context: 2 of 5 insurance proceeds received were not used to restore, reconstruct, and/or repair the damaged property. HUD approval for alternate use of funds was not obtained. They funds were deposited and remain in the Public Housing Program cash account.

Cause: The Authority did not use the insurance proceeds to place or repair the damaged property.

Effect: The Authority is not in compliance with the requirements over insurance proceeds.

Repeat Finding: No

Recommendation: We recommend Authority monitor the use of insurance funding and obtain HUD approval if they plan to not replace the property.

Views of responsible officials: There is no disagreement with this finding.
