SOLICITATION NO: 2020-01
RELEASE DATE: June 11, 2020

Memphis Housing Authority/ 700 Adams Avenue, Memphis, TN 38105
PURPOSE AND DEFINITIONS

The Memphis Housing Authority (MHA) seeks proposals from rental property owners and/or developers who wish to attach federal rental subsidies to properties eligible for the project-based voucher (PBV) rental assistance program for new construction, substantial rehabilitation or the existing program. The Authority may consider allocating up to 20% of the Voucher Allocation, or 30% as allowed under recent federal regulatory changes in Housing Opportunity Through Modernization Act (HOTMA) of the existing Voucher Program (consisting of 7,818 units) to the Project-based Voucher Program. (approximately 7,818 x 20% = 1,563 units less the number previously allocated or under AHAP- 519 units, less MHAs option to continue in reservation (294 units) = 750 project-based available units and authorized by HUD). The Authority invites interested parties to obtain a copy of the detailed Request for Proposal and submit proposals in accordance with its specifications. The initial phase may include new construction units or substantial rehabilitation units under the PBV Program. Later, the MHA will also be accepting applications under the existing regulations. This is a continuous process for the next 3 years and the housing authority, reserves the right to review applications to fulfill the initiatives to project-base the Voucher. Other initiatives undertaken by the MHA may include units under the Rental Assistance Demonstration (RAD) Program, that are not limited by the allocation caps.

The Authority's primary housing focus is on developing decent, safe and affordable permanent housing units combined with support services ("supportive housing") for low- and extremely low-income individuals and families living in the Memphis Housing Authority's jurisdiction, who are below 50% AMI for general eligibility, or 60% AMI when interfaced with the LIHTC Program, or otherwise is income eligible for the program as low-income for certain program specific properties.

In the Project-Based Program, the assistance is "attached to the structure." During the term of the Housing Assistance Payment (HAP) contract, the MHA makes housing assistance payments to the Owner for units leased and occupied by eligible individuals/families. As a result, the MHA will make available project-based vouchers (PBV) in its Housing Choice Voucher Program (HCVP) for new construction or substantially rehabilitated efficiencies, one-, two-, three-, four, and five-bedroom units located in the MHA's area of jurisdiction. At a later period, the MHA will further explore opportunities under the Existing Housing Regulations.

The Authority invites responses from developers, collaborating wherever possible with qualified providers of services, proposing projects whose development or preservation will result in significant positive community impact and the expansion of decent, safe and affordable housing opportunities for these individuals and families.

Copies of the Request for Proposals may be obtained at the Memphis Housing Authority's website at www.memphisha.org. Tab “RFQ/RFP or send an email copy request to dwalker@memhisha.org. Proposals submitted in response to this invitation will be due to be submitted by no later than 4:00 p.m. on Thursday, July 2, 2020.

All proposals must meet Fair Housing and other program requirement conditions. MHA will also provide information in other languages should it be need for Limited English proficiency.

Requests shall be directed to the Contract Administrator at the address listed under Point of Contact, above. Any information given to a prospective offeror concerning the solicitation will be furnished promptly to all prospective offerors, if that information is necessary in submitting an offer or if the lack of it would be prejudicial to any other prospective offeror. C. Unless there is no need for negotiations with any other offerors, negotiations shall be conducted with offerors who submit proposals determined to have a reasonable chance of being selected for award, based on evaluation against the technical and price factors as specified in the RFP. Such offerors shall be accorded fair and equal treatment with respect to any opportunity for negotiation and revision of proposals. The purpose of negotiations shall be to seek clarification with regard to and advise solicitors of the deficiencies in both the technical and price aspects of their proposals so as to assure full understanding of the conformance to the solicitation requirements. No offeror shall be provided any information about any other offeror’s proposal, and no offeror shall be assisted in bringing its proposal up to the level of any other proposal. Offerors shall not be directed to reduce their proposed prices to a specific amount in order to be considered for award. A common deadline shall be established for receipt or proposal revisions based on negotiations.

The MHA reserves the right not to award a contract pursuant to this RFP. MHA shall have no obligation to compensate any proposer for any costs incurred in responding to this RFP.

A solicitation may be canceled and all bids or proposals that have already been received may be rejected if: the supplies, services, or construction are no longer required; ambiguous or otherwise inadequate specifications were part of the solicitation; the solicitation did not provide for consideration of all factors of significance to the Authority; prices exceed available funds; there is reason to believe that bids or proposals may not have been independently arrived at in open competition, may have been collusive, or may have been submitted in bad faith; or for good cause of a similar nature when it is in the best interest of the Authority.

The reasons for cancellation shall be documented in the procurement file and the reasons for cancellation and/or rejection shall be provided upon request to any offeror solicited.

A notice of cancellation shall be sent to all offerors solicited and, if appropriate, shall explain that they will be given an opportunity to compete on any solicitation or future procurement of similar items.
